EXECUTIVE OFFICER

Dear Commissioners:

**AWARD ONE-YEAR CONTRACTS TO PROVIDE COUNTYWIDE ACQUISITION
AND RELOCATION SERVICES (ALL DISTRICTS) (3 Vote)**

SUBJECT

This letter requests approval of one-year contracts with four consultants to provide acquisition and relocation services to the Community Development Commission. The firms will be assigned relocation projects and will receive compensation based on the scope of services performed, on a project-by-project basis.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that the execution of one-year Contracts for Consulting Services (Contracts) is not subject to the California Environmental Quality Act (CEQA) because the proposed activity will not have the potential for causing a significant effect on the environment.
2. Approve and authorize the Executive Director to execute one-year Contracts with Del Richardson & Associates, Paragon Partners, Ltd., Epic Land Solutions, Inc., and Overland, Pacific & Cutler, Inc., using substantially the form of the attached contract, the aggregate amount of which will not exceed \$250,000, to provide acquisition and relocation consulting services on a project-by-project basis for federal, state, or locally-funded activities associated with housing, environmental, community development, economic development and redevelopment projects throughout the County of Los Angeles, to be effective upon approval by County Counsel and execution by all parties.

3. Authorize the Executive Director to execute amendments to the one-year Contracts, following approval as to form by County Counsel, to extend the time of performance for a maximum of two years, in one-year increments, in the aggregate amount of \$250,000 for the second year and \$250,000 for the third year, using funds to be approved through the annual budget process.

PURPOSE /JUSTIFICATION OF RECOMMENDED ACTION:

The purpose of the recommended action is to enter into Contracts with four firms to provide acquisition and relocation consulting services for federally-, state- and locally-funded housing, economic development, environmental and redevelopment programs benefiting the County of Los Angeles.

FISCAL IMPACT/FINANCING:

There is no impact on the County general fund. The maximum aggregate amount for all three years of the Contracts, if fully extended, will be \$750,000.

For the first year of services under the Contracts, the Commission will use a maximum of \$250,000 comprised of Community Development Block Grant, HOME, City of Industry, Homeless Prevention Initiative, and tax increment funds included in the Commission's proposed fiscal year 2008-2009 budget.

After the first year, the Commission may extend the Contract for an additional two years, in one-year increments, in the aggregate amount of \$250,000 for the second year and \$250,000 for the third year, contingent upon the availability of funds. Funds for years two and three of the Contracts, if extended, will be requested through the Commission's annual budget process.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS:

The Community Development Commission currently has 11 separate contracts for Commission acquisition and relocation activities. This has resulted in increased contract management costs and, in some instances, the same company conducting the acquisition and relocation for the same property under two different contracts. The purpose of this Request for Proposals was to select firms that could perform both activities, thereby reducing the number of contracts and associated costs. As a result, the number of contracts for the Commission will be reduced from 11 to four.

The Uniform Relocation and Real Properties Acquisitions Act (URA) of 1970, as amended, governs the acquisition and relocation activities of all federal and federally-funded agencies. Agencies are mandated to comply with acquisition standards and

requirements for services such as verification of ownership information, appraisals, negotiations with property owners, preparation of offer letters and acquisition agreements, and other acquisition services. Under the URA, agencies are also mandated to comply with various relocation requirements such as the provision of notices, advisory services, and monetary relocation advisory services, and to provide monetary and/or other relocation benefits to individuals and businesses that are displaced as the result of housing, economic development, redevelopment, and environmental projects. The State of California adopted legislation in 1972 with similar requirements. Relocation services are also required when displacement occurs as a result of environmental rehabilitation activities such as noise reduction, asbestos and lead-based paint abatement, and seismic retrofitting of structures.

The proposed Contracts define the basic services to be performed by the four firms over the initial one-year term, including the following acquisition activities: reviewing title reports, appraisals, preparing offer letters and acquisition agreements, negotiating with property owners, business owners, and tenants/lessees for the purchase of the required property rights, opening and monitoring the escrow process, and other requirements as indicated in statements of work. Firms will also perform the following relocation activities: meeting with displaced individuals and businesses, determining eligibility for relocation assistance, preparing relocation assistance notices and claim forms, conducting replacement dwelling inspections, and completing other related functions. The Contracts may be amended to incorporate specific sites and detailed scopes of work for each project. The Contracts may also be amended to extend the time of performance for a maximum of two years, in one-year increments, and to include additional projects and compensation.

The firms will be assigned acquisition and relocation projects and will receive compensation based on the scope of services performed on a project-by-project basis. The addition of projects to each contract will be determined based on the acquisition or relocation needs, qualifications of the consultant in the various aspects of the acquisition or relocation process, and the complexity of the assignment. The cost of services will not exceed the negotiated dollar amount for individual acquisition or relocation assignments or work programs.

Should the firms require additional or replacement personnel after the effective date of the Contracts, the firms will give consideration for any such employment openings to participants in the County's Department of Public Social Services' Greater Avenues for Independence (GAIN) Program who meet the minimum qualifications for the open positions. The firms will contact the County's GAIN Division for a list of participants by job category.

The Contracts will be effective following approval by County Counsel and execution by all parties.

ENVIRONMENTAL DOCUMENTATION:

The proposed execution of the Contracts is exempt from the National Environmental Policy Act (NEPA) pursuant to 24 Code of Federal Regulations, Part 58, Section 58.34 (a)(3), because it involves administrative activities that will not have a physical impact or result in any physical changes to the environment. The activities are also not subject to the provisions of CEQA pursuant to State CEQA Guidelines 15060(c)(3) and 15378, because they are not defined as a project under CEQA and do not have the potential for causing a significant effect on the environment.

CONTRACTING PROCESS:

On March 4, 2008, a Request for Proposals (RFP) process was initiated to identify firms to provide acquisition and relocation consulting services. An RFP announcement was mailed to 63 acquisition and relocation consulting firms, which were identified from the Commission's vendor list. Announcements appeared in eight newspapers in the County (see Attachment A) and on the County's WebVen website. A copy of the RFP was also posted on the Commission's website.

Nine firms submitted proposals. Two proposals failed to meet the minimum requirements of the RFP and were disqualified. The remaining proposals were evaluated, and based on the RFP requirements and the rating process, Overland, Pacific & Cutler, Inc., Paragon Partners, Ltd., Del Richardson & Associates, and Epic Land Solutions, Inc., were selected for inclusion on a list of firms to be utilized on a project-by-project basis.

The Summary of Outreach Activities is provided as Attachment A.

IMPACT ON CURRENT PROGRAMS:

The proposed Contracts will provide Countywide acquisition and relocation services for housing, environmental, community development, economic development, and redevelopment projects.

Respectfully submitted,

for
CARLOS JACKSON
Executive Director

Notice 1015

(Rev. December 2005)

Have You Told Your Employees About the Earned Income Credit (EIC)?

What Is the EIC?

The EIC is a refundable tax credit for certain workers.

Which Employees Must I Notify About the EIC?

You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on Form W-4, Employee's Withholding Allowance Certificate.

Note. You are encouraged to notify each employee whose wages for 2005 are less than \$37,263 that he or she may be eligible for the EIC.

How and When Must I Notify My Employees?

You must give the employee one of the following:

- The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.
- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If a substitute Form W-2 is given on time but does not have the required information, you must notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 7, 2006.

You must hand the notice directly to the employee or send it by First-Class Mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice by calling 1-800-829-3676, or from the IRS website at www.irs.gov.

How Will My Employees Know If They Can Claim the EIC?

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see the 2005 instructions for Form 1040, 1040A, 1040EZ, or Pub. 596, Earned Income Credit (EIC).

How Do My Employees Claim the EIC?

Eligible employees claim the EIC on their 2005 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2005 and owes no tax but is eligible for a credit of \$799, he or she must file a 2005 tax return to get the \$799 refund.

How Do My Employees Get Advance EIC Payments?

Eligible employees who expect to have a qualifying child for 2006 can get part of the credit with their pay during the year by giving you a completed Form W-5, Earned Income Credit Advance Payment Certificate. You must include advance EIC payments with wages paid to these employees, but the payments are not wages and are not subject to payroll taxes. Generally, the payments are made from withheld income, social security, and Medicare taxes. For details, see Pub. 15 (Circular E), Employer's Tax Guide.

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents to give up their baby confidentially. As long as the baby has not been abused or neglected, parents may give up their newborn without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially and safely give up a baby within three days of birth. The baby must be handed to an employee at a Los Angeles County emergency room or fire station. As long as the child shows no signs of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, workers will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their newborns within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

In most cases, a parent will bring in the baby. The law allows other people to bring in the baby if they have legal custody.

Does the parent have to call before bringing in the baby?

No. A parent can bring in a baby anytime, 24 hours a day, 7 days a week so long as the parent gives the baby to someone who works at the hospital or fire station.

Does a parent have to tell anything to the people taking the baby?

No. However, hospital personnel will ask the parent to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the child. Although encouraged, filling out the questionnaire is not required.

What happens to the baby?

The baby will be examined and given medical treatment, if needed. Then the baby will be placed in a pre-adoptive home.

What happens to the parent?

Once the parent(s) has safely turned over the baby, they are free to go.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned by their parents and potentially being hurt or killed. You may have heard tragic stories of babies left in dumpsters or public bathrooms. The parents who committed these acts may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had nowhere to turn for help, they abandoned their infants. Abandoning a baby puts the child in extreme danger. It is also illegal. Too often, it results in the baby's death. Because of the Safely Surrendered Baby Law, this tragedy doesn't ever have to happen in California again.

A baby's story

At 8:30 a.m. on Thursday, July 25, 2002, a healthy newborn baby was brought to St. Bernardine Medical Center in San Bernardino under the provisions of the California Safely Surrendered Baby Law. As the law states, the baby's mother did not have to identify herself. When the baby was brought to the emergency room, he was examined by a pediatrician, who determined that the baby was healthy and doing fine. He was placed with a loving family while the adoption process was started.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a newborn, let her know there are other options.

It is best that women seek help to receive proper medical care and counseling while they are pregnant. But at the same time, we want to assure parents who choose not to keep their baby that they will not go to jail if they deliver their babies to safe hands in any Los Angeles County hospital ER or fire station.

Sin pena. Sin culpa. Sin peligro.

¿Qué es la Ley de Entrega de Bebés Sin Peligro?

La Ley de Entrega de Bebés Sin Peligro de California permite a los padres entregar a su recién nacido confidencialmente. Siempre que el bebé no haya sufrido abuso ni negligencia, padres pueden entregar a su recién nacido sin temor a ser arrestados o procesados.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura, dentro de los tres días del nacimiento. El bebé debe ser entregado a un empleado de una sala de emergencias o de un cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden empezar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles, al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

En la mayoría de los casos, los padres son los que llevan al bebé. La ley permite que otras personas lleven al bebé si tienen la custodia legal del menor.

¿Los padres deben llamar antes de llevar al bebé?

No. El padre/madre puede llevar a su bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, mientras que entregue a su bebé a un empleado del hospital o de un cuartel de bomberos.

¿Es necesario que el padre/madre diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital le pedirá que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para los cuidados que recibirá el bebé. Es recomendado llenar este cuestionario, pero no es obligatorio hacerlo.

¿Qué ocurrirá con el bebé?

El bebé será examinado y, de ser necesario, recibirá tratamiento médico. Luego el bebé se entregará a un hogar preadoptivo.

¿Qué pasará con el padre/madre?

Una vez que los padres hayan entregado a su bebé en forma segura, serán libres de irse.

¿Por qué California hace esto?

La finalidad de la Ley de Entrega de Bebés Sin Peligro es proteger a los bebés del abandono por parte de sus padres y de la posibilidad de que mueran o sufran daños. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Es posible que los padres que cometieron estos actos hayan estado atravesando dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus recién nacidos porque tenían miedo y no tenían adonde recurrir para obtener ayuda. El abandono de un recién nacido lo pone en una situación de peligro extremo. Además es ilegal. Muy a menudo el abandono provoca la muerte del bebé. Ahora, gracias a la Ley de Entrega de Bebés Sin Peligro, esta tragedia ya no debe suceder nunca más en California.

Historia de un bebé

A las 8:30 a.m. del jueves 25 de julio de 2002, se entregó un bebé recién nacido saludable en el St. Bernardine Medical Center en San Bernardino, en virtud de las disposiciones de la Ley de Entrega de Bebés Sin Peligro. Como lo establece la ley, la madre del bebé no se tuvo que identificar. Cuando el bebé llegó a la sala de emergencias, un pediatra lo revisó y determinó que el bebé estaba saludable y no tenía problemas. El bebé fue ubicado con una buena familia, mientras se iniciaban los trámites de adopción.

**Cada recién nacido merece una
oportunidad de tener una vida saludable.
Si alguien que usted conoce está pensando
en abandonar a un recién nacido, infórmele
qué otras opciones tiene.**

Es mejor que las mujeres busquen ayuda para recibir atención médica y asesoramiento adecuado durante el embarazo. Pero al mismo tiempo, queremos asegurarles a los padres que optan por no quedarse con su bebé que no irán a la cárcel si dejan a sus bebés en buenas manos en cualquier sala de emergencia de un hospital o en un cuartel de bomberos del Condado de Los Angeles.

BACKGROUND AND RESOURCES: CALIFORNIA CHARITIES REGULATION

There is a keen public interest in preventing misuse of charitable contributions. California's "Supervision of Trustees and Fundraisers for Charitable Purposes Act" regulates those raising and receiving charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) tightened Charitable Purposes Act requirements for charitable organization administration and fundraising.

The Charitable Purposes Act rules cover California public benefit corporations, unincorporated associations, and trustee entities. They may include similar foreign corporations doing business or holding property in California. Generally, an organization is subject to the registration and reporting requirements of the Charitable Purposes Act if it is a California nonprofit public benefit corporation or is tax exempt under Internal Revenue Code § 501(c)(3), and not exempt from reporting under Government Code § 12583. Most educational institutions, hospitals, cemeteries, and religious organizations are exempt from Supervision of Trustees Act requirements.

Key new Charitable Purposes Act requirements affect executive compensation, fundraising practices and documentation. Charities with over \$2 million of revenues (excluding grants and service-contract funds a governmental entity requires to be accounted for) have new audit requirements. Charities required to have audits must also establish an audit committee whose members have no material financial interest in any entity doing business with the charity.

Organizations or persons that receive or raise charitable contributions are likely to be subject to the Charitable Purposes Act. A bidder/proposer on Commission and/or Housing Authority contracts must determine if it is subject to the Charitable Purposes Act and certify either that:

- It is not presently subject to the Act, but will comply if later activities make it subject, or,
- If subject, it is currently in compliance.

RESOURCES

The following resource references are offered to assist bidders/proposers who engage in charitable contributions activities, however, each bidder/proposer is responsible to research and determine its own legal obligations and properly complete the Charitable Contributions Certification form.

In California, supervision of charities is the responsibility of the Attorney General, whose website, <http://caag.state.ca.us/>, contains much information helpful to regulated charitable organizations.

1. LAWS AFFECTING NONPROFITS

The "Supervision of Trustees and Fundraisers for Charitable Purposes Act" is found at California Government Code §§ 12580 through 12599.7. Implementing regulations are found at Title 11, California Code of Regulations, §§ 300 through 312. In California, charitable solicitations ("advertising") are governed by Business & Professions Code §§ 17510 through 17510.95. Regulation of nonprofit corporations is found at Title 11, California Code of Regulations, §§ 999.1 through 999.5. (Amended regulations are pending.) Links to all of these rules are at: <http://caag.state.ca.us/charities/statutes.htm>.

2. SUPPORT FOR NONPROFIT ORGANIZATIONS

Several organizations offer both complimentary and fee-based assistance to nonprofits, including in Los Angeles, the *Center for Nonprofit Management*, 606 S. Olive St #2450, Los Angeles, CA 90014 (213) 623-7080 <http://www.cnmsocal.org/>, and statewide, the *California Association of Nonprofits*, <http://www.canonprofits.org/>. Both organizations' websites offer information about how to establish and manage a charitable organization.

The above information, including the organizations listed, is for informational purposes only. Nothing contained in this sub-section shall be construed as an endorsement by the Commission of such organizations.

COMMUNITY DEVELOPMENT COMMISSION OF THE COUNTY OF LOS ANGELES (COMMISSION)

Policy on Doing Business With Small Business

Forty-two percent of businesses in Los Angeles County have five or fewer employees. Only about 4% of businesses in the area exceed 100 employees. The Commission recognizes the importance of small business in...

- ❖ fueling local economic growth
- ❖ providing new jobs
- ❖ creating new local tax revenues
- ❖ offering new entrepreneurial opportunity to those historically under-represented in business

The Commission can play a positive role in helping small businesses grow...

- ❖ as a multi-billion dollar purchaser of goods and services
- ❖ as a broker of intergovernmental cooperation among numerous local jurisdictions
- ❖ by greater outreach in providing information and training
- ❖ by simplifying the bid/proposal process
- ❖ by maintaining selection criteria which are fair to all
- ❖ by streamlining the payment process

WE THEREFORE SHALL:

1. Constantly seek to streamline and simplify our processes for selecting our vendors and for conducting business with them.
2. Maintain a strong outreach program to: a) inform and assist the local business about contracting opportunities; b) provide for ongoing dialogue with and involvement by the business community in implementing this policy.
3. Continually review and revise how we package and advertise solicitations, evaluate and select prospective vendors, and address subcontracting and conduct business with our vendors in order to: a) expand opportunity for small business to compete for our business; and b) to further opportunities for all businesses to compete regardless of size.
4. Insure that staff who manage and carry out the business of purchasing goods and services are well trained, capable and highly motivated to carry out the letter and spirit of this policy.
